Your photo could be seen by more than 80,000 readers when you enter it in Pennsylvania's premier photo contest. The contest is open to anyone who doesn't earn a living as a professional photographer. You may enter as many as 15 color images. **Make sure your entry is postmarked by April 15, 2012.**

Winning photos will appear in the July/August 2012, September/October 2012 and/or November/December 2012 issues. RULES OF THE CONTEST:

- Contest is open to amateur photographers only (those who do not earn a majority-over half-of their income as a photographer).
- Enter prints that are unmounted and at least 5" x 7" but not more than 9" x 12". If the original image is a digital file, send a print of each file and include an original image file (in .TIF or .JPG format) on a CD-ROM or DVD.
- Each entrant may submit up to 15 photos.
- Entered photos must have been taken recently (from January 1, 2008, to present) by the entrant of a Pennsylvania locale/subject.
- A copy (photocopy is acceptable) of a completed and signed entry form must be taped to the back of each photo. (Do not use paper clips and do not write on the backs of prints.)
- If you would like your photographs/disk(s) returned, enclose one large self-addressed envelope and affix postage to it for the return of all entries. Write "s.a.s.e. enclosed" directly under your return address on your entry envelope.
- The publisher will exercise reasonable care with entries but cannot be held liable for loss or damage of any entry.
- Judging of the submitted prints will take place in May 2012; winners will be notified in June 2012. All entries (with appropriate s.a.s.e.—see rule #6) will be returned at that time with a listing of the contest winners.
- At the discretion of the editor, each winning photo will be published in one future issue of the magazine and on the magazine's website (www.pa-mag.com) without additional compensation to the entrant. Entrant retains all other rights to the photograph, granting Pennsylvania Magazine one-time use rights for display of the winning photo in the magazine and on its website.
- Names and hometowns of winners will be published in the July/August 2012 and/or the September/October 2012 issue of the magazine, and announcement materials with this information will be sent to entrants and public media and on the magazine's website.
- Finalist images in the contest will be considered for use (pending approval by photographer) in a future issue of the magazine. Photographers who agree to our use of their nonwinning entries and whose images appear in the magazine will be paid our regular fee for one-time use. ■
